**7.22 Architecture Standards (AR)**

AR-01: The following architectural standards apply and shall be shown on plans submitted with a building permit:

- A. A minimum roof pitch of 7:12 is required for the primary structure. The minimum roof pitch for an open porch is 5:12.
- B. Siding for all structures shall have a textured surface.
- C. All single family residential structure roof overhangs or eaves shall be no less than twelve (12) inches.
- D. All single family residential structures shall have gutters and down spouts.

AR-02: The primary building material for all facades of the Primary and Accessory Structures are to be brick, natural or cut stone. Other accent materials suggested on the facades include products like stucco or dryvit (no vinyl, aluminum or plywood siding shall be permitted).

Gazebos, bath houses, detached garages or carports shall have the same architectural design and look as the Primary Structure, and the same building materials, unless otherwise approved by the Plan Commission.

16  
**7.23 Miscellaneous Standards (MS)**

MS-01: Each manufactured home in a manufactured home park must be tied down and have perimeter skirting.

MS-02: Storage or parking of recreational vehicles is subject to the following conditions:

- A. At no time shall a parked or stored recreational vehicle be occupied or used for living, sleeping or housekeeping purposes, except as outlined below.
- B. A recreational vehicle may be permitted to be parked for visitation for up to seven (7) consecutive days, but not to exceed fourteen (14) total days in any one calendar year.
- C. No more than one (1) recreational vehicle may be stored or parked outdoors on a residential parcel at any one time.
- D. Recreational vehicles may be stored or parked by the owner thereof behind or alongside the primary building in such a manner that no part of the vehicle shall project beyond the front of the primary structure, side yard setback, or rear yard setback.
- E. Year-round storage of a recreational vehicle is permitted if it is either enclosed, screened with vegetation, or is not within seventy-five (75) feet of all neighboring residential structures. If either of these conditions is not met, outdoor storing or parking shall not extend more than nine (9) months of any single calendar year.
- F. A recreational vehicle shall not block a sidewalk.
- G. A recreational vehicle shall not be parked on a parcel without a primary structure.
- H. A recreational vehicle shall not be used solely for the purpose of personal storage.

MS-03: All roof mounted heating, air conditioning, ventilation, or other mechanical equipment shall be screened with materials that are complementary and aesthetically appealing to the structure on which they are affixed. From any location within four hundred (400) feet of the structure, the screening must hide or disguise the above listed equipment.

MS-04: Farm animals must have a minimum fenced area per animal to be permitted within the jurisdiction of this Ordinance. The minimum lot size to be able to have any farm animal on any lot or combination of lots is three (3) acres. The zoning administrator shall have discretion to determine the minimum acreage for
