## PART 1: GENERAL

### 1.01 INTRODUCTION

This section provides guidance on the policies and procedures used for proper stormwater management.

### 1.02 REFERENCE

The Town of Cicero has adopted the Hamilton County Stormwater Management Technical Standards Manual to establish policies relating to stormwater management, stormwater quality practices, Erosion Control Permitting, and flood control, submittal requirements and procedures for issuance of a stormwater permit, and procedures for inspection, testing and final acceptance of stormwater facilities. The Hamilton County Stormwater Management Technical Standards Manual, latest edition, shall be used in conjunction with the Town's Standard Details for the design and construction of stormwater and erosion control facilities.
