Cicero Accessible Kayak and Canoe Launch

Launching the recreation
opportunities in Cicero, one kayak at
a time!

The Launch

Cicero is the proud home to Morse Reservoir, a fantastic public amenity that is well-used by residents and visitors alike. Despite its popularity, the reservoir has long lacked a very important element: a kayak and canoe launch. **With the support raised through this campaign, we plan to change that.**

Cicero Pier was recently constructed in Red Bridge Park and is already seeing heavy use; we want to build on that momentum by adding an accessible launch right next to the pier. **This would be the ONLY Accessible Launch on Morse Reservoir and would allow all individuals to enjoy the water.**

Together the pier and the launch will help bring even more visitors to Red Bridge Park and will help residents have even better access to our beloved Morse Reservoir.

Building the Dream

We have the opportunity to receive \$7,500 from the Indiana Housing and Community Development Authority (IHCD), but only if we raise \$7,500 first!

The campaign begins on Saturday, October 28th and it will go through Friday, December 8th. The funds that are raised from our Cicero neighbors, and the matching funds from IHCD, along with additional funding that the Cicero Parks Department has already raised, will allow us to do the following:

1. Build and install the **canoe/kayak launch**
2. Build a **walkway** to the launch that connects to the park trail
3. Install **lighting** and **signage**
4. Expand the parking lot to include additional **parking**

Timeline

October 28th: Crowdfunding Kick Off

December 8th: Crowdfunding ends

January-March 2018: Plan for project, site prep, clean up

April-May 2018: Kayak Launch installed

May-June 2018 - finish up project

July 2018 - Dedication ceremony

How You Can Help!

Please consider donating to the Cicero Accessible Kayak and Canoe Launch!

Donor Levels and benefits for the Launch:

_____ \$10.00 (Supporter)

Invitation to the Launch

_____ \$50.00 (Patron)

Invitation to the Launch

2 passes to the Cicero Pool at Red Bridge
