

## **Staff Mobile Office Hours Postponed**

The Office of United States Senator Mike Braun has been closely monitoring state, local, and federal guidance as it pertains to public events being impacted by COVID-19. After careful consideration, it has been determined that for the safety of all constituents that would attend the Mobile Office with Senator Braun's staff at this location, it is best to postpone this event to a future date.

Senator Braun's staff holds many public meetings around the state in order to hear from constituents on a regular basis. Ensuring that Senator Braun's office does not contribute to the spread of COVID-19 through official public events is paramount. We recommend everyone stay vigilant in taking precautions recommended by the Centers for Disease Control (CDC), state, and local health officials.

The office can always be contacted through our website, [www.braun.senate.gov](http://www.braun.senate.gov), to initiate constituent casework with a federal agency or to communicate an opinion on a legislative issue.
