July 5, 2022

5-Year Master Planning Underway for Cicero Parks

The Town of Cicero's Parks Department has begun its 5-Year Master Planning process. One part of the process is gathering community and resident feedback. The Parks Department is seeking input from residents through a survey included here:

<https://www.surveymonkey.com/r/CiceroMasterPlan>. We encourage residents to complete this survey and share with additional community members to help determine the next 5 years of parks programming and projects. The deadline to submit a survey is August 5, 2022.

We appreciate our residents' time in helping us plan Park projects and events that matter to our community. We have included the QR code along with the survey link. For additional information about the planning process, below is a link to a 15-minute video from the public meeting held the 23rd of June.
